# LED UV Torch

Handheld LED UV Lamp

## Portable and Durable Spot Model & Flood Model

LED UV Torch utilizes the state-of-art LED technology which makes it a great tool for fluorescent MT, PT and leak detection. Made of aviation grade aluminium alloy, Torch365 highlights its excellent cooling ability, robustness, optimum handy design and super light weight.

Two versions are available: UV Torch Spot Light (TH365/SL) and UV Torch Flood Light (TH365/FL). The light reflectors are interchangeable for both models.

### Portable and Durable

- Aviation Grade Aluminum Housing
- Weight: 200g(0.44lb)

### Aerosol Connector Compatible

- Customized Aerosol Spray Holder
- Compatible with Standard Aerosols

### Spotlight/Floodlight

- Spotlight: High Intensity
- Floodlight: Big UV Coverage

Instant Maximum Output

Spot&Flood light
